TECHNOLOGY AT THE SERVICE OF YOUR BUSINESS

BOB Connect is the connectivity system for all BOB equipment which allows you to be connected to your vehicle all the time and to consult all data in real time.

With **BOB Connect** you can plan your work quickly and easily, managing all vehicles and increasing productivity.

**WHEREVER YOU ARE,
YOUR DATA WILL ALWAYS
BE WITH YOU.**

BOB Connect allows you to monitor the status of your vehicles and your equipment from any fixed or mobile device, such as smartphones, tablets or PCs.

WHY CHOOSE **BOB CONNECT**

1. EASY ACCESS

Connect to your equipment easily with **BOB Connect** by accessing the BOB Portal without the need to download any software or application.

2. TIMELY SUPPORT

In case of trouble, wherever you are, the **BOB Customer Care** is able to assess the problem immediately and can intervene, resolving the cause remotely. This guarantees less wasted time and money.

3. IMMEDIATE LOCALISATION

Thanks to **BOB Connect** you can view the location, route and stops of your vehicle in real time at any moment of the day.

4. EQUIPMENT WORKING HOURS

BOB Connect allows you to trace the vehicle's effective working hours, working cycles and number of processes.

5. FLEET MANAGEMENT

Using **BOB Connect** you can view the performance of multiple vehicles and receive a detailed report on their activity, thus optimizing use and scheduling.

6. SCHEDULED MAINTENANCE

Through **BOB Connect** you can get info about when maintenance is required on your vehicle, allowing you to program maintenance with the BOB after sales service accordingly.
